## Fall 2021 First-Time Freshman Guide

### ABOUT CALIFORNIA STATE UNIVERSITY, FULLERTON (CSUF)

Cal State Fullerton is a leading campus of the CSU, serving as an intellectual and cultural center for Southern California and driver of workforce and economic development. With roughly 40,000 students, CSUF is an in-demand choice in the region. U.S. News & World Report ranks CSUF as No. 3 on its Top Public School list and top regional universities of the West. CSUF is Accredited by the Western Association of Schools and Colleges Senior College and University Commission and a designated Hispanic Serving Institution.

### ADMISSIONS PROCESS & REQUIREMENTS

California State University Fullerton will temporarily suspend the use of ACT/SAT examinations in determining admission eligibility for the 2021-2022 academic year. ***This temporary change of admission eligibility applies only for the Fall 2021 application cycle.***

To ensure a fair process for all applicants, the GPA requirements will not be determined until after the priority application filing period ends on **December 4, 2020\***. It will be based on the number of applications received, the competitiveness of the pool, and the number of enrollment spaces available. ***\*Due to the COVID-19 pandemic, the deadline has been extended for this year only.\****

To determine first-time freshman admission CSUF will rank order applicants by their "A-G" GPA for the entire freshman applicant pool. This includes applicants that meet the following criteria:

- **California residents and graduates of California high schools with a 2.50 or greater "A-G" GPA.**
- **Non-California residents earning a 3.00 or greater "A-G" GPA**

**All freshmen applicants that are in the Cal State Fullerton Local Admission Area will receive first priority admission preference** through an approximate **0.3 "A-G" GPA bump**. For example, if your "A-G" GPA is 3.2 as a local area applicant we will record your "A-G" GPA as a 3.5 GPA for admission purposes.

**Students must meet all of the following requirements for admission to CSUF:**

- **Be a high school graduate or equivalent**
- **Complete the 15-unit comprehensive "A-G" coursework (see below)**
- **Earn a qualifying "A-G" grade point average (GPA)**

### IMPACTION

Cal State Fullerton is a fully impacted campus. Impaction means there are more applicants for our campus than can be accommodated. To ensure capacity is not exceeded, more rigorous standards are applied to the freshman applicant pool. Impacted criteria may include local vs. out-of-local and/or major program impaction.
