

## **Assembler & Packager**

Mag Instrument a highly successful manufacturer of Mag-Lite® flashlights is currently seeking self-motivated individuals to work in a fast paced environment.

### **ESSENTIAL DUTIES:**

- Gathering of parts, subassemblies, tools and materials in preparation for production
- Insert switch assembly in-housing. Ensure proper alignment.
- Ability to remember assembly sequence and maintain visual attention on assembly work with up to 25 components.
- Keeps equipment operational by completing daily housekeeping requirements; follow manufacturer's instructions; reporting malfunctions to Supervisor and/or lead.
- Maintains safe and clean working environment by complying with procedures, rules, and safety regulations.
- Conserves resources by using equipment and supplies as needed to accomplish job results.
- Proven ability to work effectively in a high volume and multiple demand environments.
- Packages products, accessories, spares, etc., in containers, blister packages, plastic bags and cartons.
- Set-up and operate automatic bagging equipment.
- Load and cycle several types of packaging machines with products, blister packs, cards and literature.

### **BASIC REQUIREMENTS:**

- High School Diploma or equivalent
- Must be able to work in a physically demanding environment (bending, twisting, stretching, kneeling, squatting, pushing/pulling, lifting, standing and walking for extended periods)
- Hand to eye coordination
- Ability to lift 50lbs occasionally
- Accuracy and consistency are crucial
- Regular attendance and punctuality
- Complete background check
