TOTAL CREDITS		225

Review  
Graduation  
Requirements

# Review College Entrance Requirements

## UC/CSU A-G Minimum College Entrance Requirements

A	English	4 years
B	Math	3 years
C	Social Science World History and U.S. History	2 years
D	Laboratory Science Biology CP, and Chemistry	2 years
E	Foreign Language 3 years same language recommended	2 years
F	Visual Performing Art See UC A-G approved course list	1 year
G	College Preparatory Elective See UC A-G approved course list	1 year

# Attendance

**California Truancy Law** defines a truant as a child who, without a valid excuse is:

- absent for 3 full days in a single year
- tardy 3 times in a year
- absent for 3 times for more than 30 minutes, or
- any combination of the above.

**CVUSD BP5121** students with absences more than 25% of semester may receive failing grades in the classes they are enrolled in.

Sophomore year is a great time to start exploring majors and/or what your son or daughter would like to do after high school and beyond.

---

There are many ways available online right now to "explore" colleges and various careers.

---

Sign into your CCGI (California College Guidance Initiative) account and start exploring colleges and take a career aptitude test.

---

Sign into your College Board account to explore colleges and majors through Big Future.

---

Most schools offer virtual college tours.

---

Big Future is a great way for you and your student to explore both colleges and careers.

---

➤ CREATE YOUR PROFILE and GET STARTED!

- ▶ Explore Careers
- ▶ Plan for College
- ▶ Pay for College
- ▶ Community Events

- 
- ▶ Finding Occupations

# Dual Enrollment

- ▶ Earn college credits while still in high school!
- ▶ Meet both A-G requirements and General Education requirements!
- ▶ No fees for High School Partnership courses!
- ▶ Courses get a GPA bonus point on UC/CSU college applications. (Like AP courses.)
- ▶ One semester fulfills a one-year A-G requirement.
- ▶ New courses offered each semester, check out [/www.chino.k12.ca.us/domain/5651](http://www.chino.k12.ca.us/domain/5651)

# Planning for the future...

- What should your Sophomore do now to add to their college resume?
- They should be actively participating in clubs and community activities. Encourage them to find an activity they would be willing to do for the next several years to show consistency and gain leadership.
- Does your student want to be a part of a military academy for college. This is the year to start the process.
- College sports, be aware of NCAA requirements if your student wants to play college sports.

# Initial-Eligibility Standards

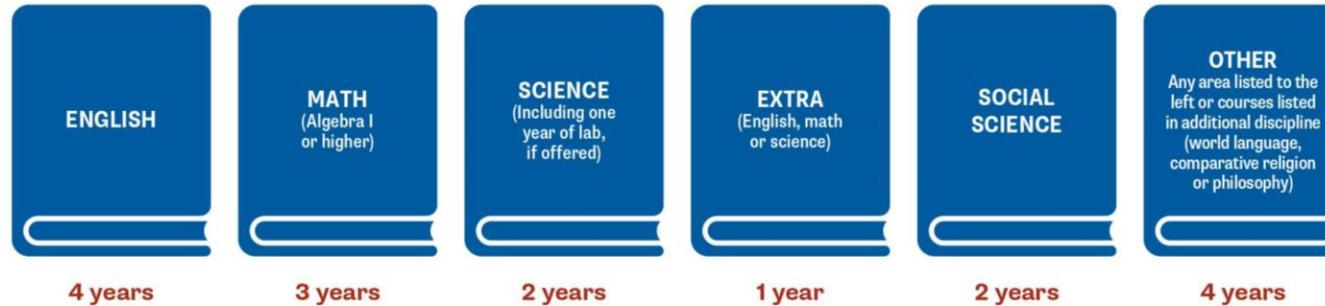

If you want to compete in NCAA sports, you need to register with the NCAA Eligibility Center at [eligibilitycenter.org](http://eligibilitycenter.org). Plan to register before your freshman year of high school. For more information on registration, visit [on.ncaa.com/RegChecklist](http://on.ncaa.com/RegChecklist).

## Academic Requirements

**Division I and II** schools require you to meet academic standards. To be eligible to practice, compete and receive an athletics scholarship in your first year of full-time enrollment, you must meet the following requirements:

### Division I

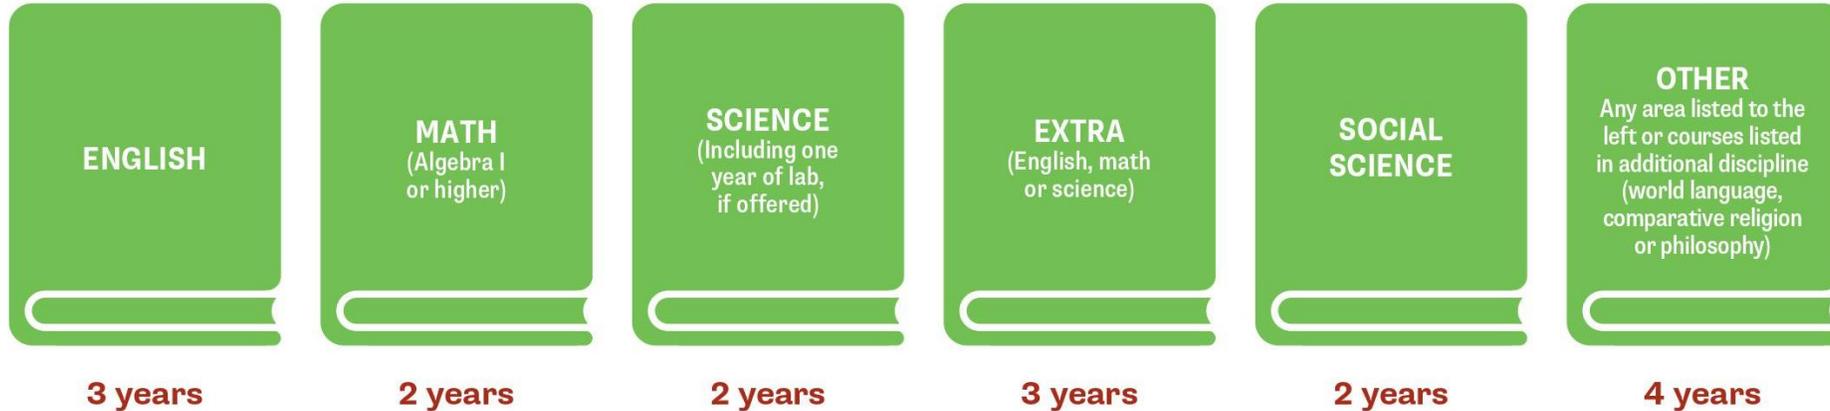

1. Earn 16 NCAA-approved core-course credits in the following areas:

2. Complete your 16 NCAA-approved core-course credits in eight academic semesters or four consecutive academic years from the start of ninth grade. If you graduate from high school early, you still must meet core-course requirements.
3. Complete 10 of your 16 NCAA-approved core-course credits, including seven in English, math or science, before the start of your seventh semester. Once you begin your seventh semester, any course needed to meet the 10/7 requirement cannot be replaced or repeated.
4. Earn a minimum 2.3 **core-course GPA**.
5. Ask your high school counselor to upload your **final official transcript** with proof of graduation to your Eligibility Center account.

## Division II

1. Earn 16 NCAA-approved core-course credits in the following areas:

2. Earn a minimum 2.2 **core-course GPA**.

3. Ask your high school counselor to upload your **final official transcript** with proof of graduation to your Eligibility Center account.

## Division III

While **Division III schools** set their own admissions and academic requirements, **international student-athletes** (first-year enrollees and transfers) who are enrolling at a Division III school after Aug. 1, 2023, must be certified as an amateur by the Eligibility Center. Contact the Division III school you plan to attend for more information about its academic requirements.
