Welcome to Mrs. Legg's Class!

Dear Families,

Welcome back to 2024-2025 school year! I would like to take this opportunity to introduce myself. My name is Mrs. Legg and I will be your child's teacher for this exciting year of learning! As we begin this new school year, I am looking forward to working with your child with great expectations! We are fortunate to have 2 wonderful and experienced instructional assistants in our class who will help care for your child! The instructional assistants will always accompany your child whether it may be changing in the PE locker room, during lunch and bathroom breaks (which is located by the classroom and only utilized by my students and the other SH class).

Please feel free to communicate at any time if you have a question, concern or comment. Please write me a note, give me a call, or email me and I will try to respond as soon as possible. I want you to feel well informed throughout the year. Each day your child will bring home his/her planner/communication agenda. Often, I will be writing or sending important notes or comments home. It is also vital that I am kept informed of any changes in your child's health or behavior. Please call or write me a note (I always check the communication log in the morning) so that myself and my staff are aware of any changes. Please check your child's backpack daily for their agenda, important letters and notes.

Woodcrest Junior High has been recognized as a Microsoft Showcase School, with our teachers being Microsoft Innovative Educators. Student assessments will be given on the computers for ELA, Math and Science. Students in my classroom have access to iPads to work on skills using different apps.
