

# MEET YOUR TEACHER:

# Mrs. Huerta

## WELCOME TO KINDERGARTEN!

Welcome to kindergarten! I am so excited to have you in my class this year! We are going to be learning so many new wonderful things in class. I can't wait to meet you and get to know you over the school year!

## ABOUT MRS. HUERTA:

Hello! My name is Nancy Huerta, and I look forward to teaching your child and working with you as a team. I have taught for over 10 years. I have taught kindergarten, 1st, and 2nd grade. I have a B.A. in Liberal Studies and Natural Science from Cal State University, Dominguez Hills. My husband and I grew up in Cerritos and now we live in Chino with our sweet dog, Lilly. We also love to travel, visit new places, and learn about different cultures. What I love most about being a teacher is watching kids become excited about learning something new and helping them become better versions of themselves academically and socially. I love to learn, and I love inspiring kids to love to learn, as well. This is going to be a fantastic year!

## MRS. HUERTA'S FAVORITES:

**COLORS:** pink, purple, turquoise
