

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- **Link** to goals of the school's single plan for student achievement.
- **Focus** on student learning skills.
- **Describe** how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment.
- **Share** strategies parents can use at home.
- **Explain** how teachers and parents will communicate about student progress.
- **Describe** opportunities for parents to volunteer, observe, and participate in the classroom.

FAMILY PARTICIPATION

*Alone we can do so little; together
we can do so much."
– Helen Keller*

Student Learning

- EL Parent Meetings
- English Learner Advisory Committee
- School Site Council
- Join the PTA
- Room Parents
- Classroom Volunteers
- Back to School Night
- Open House
- Art Academy
- Odyssey of the Mind
- Parent Academies

Social-Emotional Development and Growth

- Fall Family Fun Night
- Light the Night
- Golden Spike Ceremonies
- PTA Dine Outs
- Talent Show
- Kindergarten Circus

Volunteering Opportunities:

Volunteers are always welcome. Please contact your student's teacher. A volunteer training is held at the school.

Communication about Student Learning

Our school and families are committed to regular two-way communication about our children's learning. Some of the ways families and staff communicate all year are:

- **School to Home**
 - school website
 - school Instagram
 - newsletters
 - school marquee
 - frequent progress monitoring
 - Rolling Ridge folder
- **Home to School**
 - email
 - parent-teacher meetings
 - participate in "activities to build engagement" (see above)
 - Rolling Ridge folder

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Staff, parents, families, and students are connected and engaged at their school to ensure student success.

All students are prepared for college and career beyond graduation.

School Goals

GOAL 1 - Academics

ELA and Math: On the 2024, CAASPP, the percent of students scoring "Standards Met" and "Standards Exceeded" (combined) in ELA will increase from 80% to 83% and in Math will increase from 74% to 77%.

GOAL 2 – School Climate

Data Based Decision Making: By May 2024, Rolling Ridge will score a 2 out of 2 on Tier 2 TFI feature 2.13.

Rolling Ridge Mission

Rolling Ridge Elementary ensures high levels of learning, for all students, in a caring culture. Student learning is developed through a focus on professional learning communities, excellent instruction, and family involvement.

Teachers, Parents, Students

Shared Responsibility for Learning

In the Classroom

All teachers will work with students and their families to support students' success in meeting or exceeding the CA Common Core State Standards. Some key ways to connect our classroom practices with the school goals will be to:

GOAL 1

Provide high quality curriculum and instruction aligned with the Common Core Standards for English Language Arts and Mathematics and engage students with the Standards for Mathematical Practices.

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics.
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make use of structure.
8. Look for and express regularity in repeated reasoning.

GOAL 2

"Be Respectful, Be Responsible, Be Safe" are the essentials of our School Wide Expectations. Students are reinforced for positive behavior by using PBIS (Positive Behavior Interventions and Supports) through the use of a class and school wide acknowledgment system. Behavior data is monitored monthly by the school-wide Positive Behavior Intervention Team.

At Home

Here are some ideas of how families can support students' success:

- ✓ Speak, read, and sing daily with your child.
- ✓ Have your child write for a variety of purposes (making the grocery list, writing letters or notes to family and friends, draw a picture and write a story to go with it.)
- ✓ Ask your child to explain what they are learning in math and practice different strategies for solving problems.
- ✓ Practice speaking and answering questions in complete sentences.
- ✓ Reinforce the school expectations at home: Be Respectful, Be Responsible, Be Safe.
- ✓ Make sure your child gets plenty of rest. Students between the ages of 5-6 need a minimum of 9-12 hours of sleep each night. Create a nightly bedtime routine that includes reading.
- ✓ Ensure that your child maintains excellent school attendance.
