

# AVID Application - Teacher Recommendation

The AVID Elective is an elective course for two/three years in middle school and four years in high school. Students learn organizational and study skills, work on critical thinking and asking probing questions, get academic help from peers and college tutors, and participate in enrichment and motivational activities that make them college-ready.

The profile of an AVID student: average GPA, first-generation student in family to attend college, and highly motivated.

As we prepare to interview candidates, we are gathering as much information as possible about prospective students. Please rate the student based on your perception of the student's ability to be successful in the AVID Elective.
