Athletic Director Report:

The pool is moving forward. It should be ready for the end of the spring 2024 season.

Girls' flag football is going well.

Mr. Hinkle is publicly commending the coach for keeping the team together without a pool for 18 months.

Administration Report:

Mr. Cervantes would like to have a ribbon-cutting ceremony when it can open. It is also a community pool. Having a Pool Day-type event would be nice.

Open Forum:

Ochoa brought up using something like Hudl for the entire school. The cost would be about \$10,000 for the entire school and could drop to \$8700 if we get rid of instant replay. Football pays about \$2000 per year so that we could think about this as a booster board. It would replace the game changer and automatically uploads to Max Preps.

Coach Hinkle and JP both gave ideas about what is currently being used for film review for teams.

Turn in banquet information as soon as you can. Make sure you turn in fundraiser requests in advance for School Board Approvals.

Meeting Closed at 7:23 pm.

Statements for proposed candidates read at the meeting.

The meeting minutes should address discussion about who can vote and team representatives.
A discussion took place about the changes that were made between the old and new by-laws.
