## MUSIC STORES THAT CARRY MUSIC INSTRUMENTS AND SUPPLIES

It is your goal to borrow, rent or purchase a quality instrument. Please do not purchase an instrument from a big-box store. Although the low price is attractive, most are very low quality and will create a frustrating playing experience for your child. The brand names listed above do tend to be more expensive because they are quality instruments.

Below are several music stores in the area that provide instruments and materials. Feel free to call around to other music stores in the area that are not listed below.

KYR Music - (909) 597-0750 - 14560 Pipeline Ave., Chino, CA 91710 - kyrmusic.com

Gard's Music - (909) 946-4789 - 350 S. Mountain Ave., Upland, CA 91786 - gardsmusic.com

## "SCHOLARSHIP INSTRUMENT" PROGRAM

The district does not provide instruments for student use, although one may be available to borrow at no cost through the district's "SCHOLARSHIP INSTRUMENT" program. This program is based on financial need only, and forms for this program are in the office. Please return these forms to the office by 8/21/24.

### PRACTICE MAKES AWESOME!

Students are expected to practice regularly outside of class. *Those who practice intentionally improve their chance of success significantly.* Daily practice leads to self-discipline that goes far beyond music. Further discussion will take place in class about the best way to practice at home.

### MY EXPECTATIONS

When students attend the first week of class, they will receive another handout regarding my expectations. This information will include attendance, behavior, class procedures, and daily practice at home.

I look forward to a great band year!
