

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Buena Vista High School	36676783631769	5/14/2024	June 20,2024

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program
Additional Targeted Support and Improvement
Our school serves as a Title 1 Schoolwide Program. Chino Valley Unified School District in partnership with all educational partners has developed and will monitor the implementation and effectiveness of the School Plan for Student Achievement in order to improve student outcomes.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

This plan effectively meets Every Student Succeeds Act (ESSA) and aligns with the district's three LCAP goals:
LCAP Goal 1: All students are provided a high-quality teaching and learning environment (Priority 1, 2, and 7).
LCAP Goal 2: Students, parents, families, and staff are connected and engaged at their school to ensure student success (Priority 3, 5, and 6).
LCAP Goal 3: All students are prepared for college and career beyond graduation (Priority 4 and 8).
LCAP Goal 4: Targeted Assistance for Buena Vista and Boys Republic
Buena Vista works collaboratively with all stakeholders to develop a comprehensive plan to increase student achievement this year. Student achievement is closely analyzed to identify areas of need, appropriate services are provided to increase student achievement, financial support is allocated where needed. Our school plan is developed in collaboration with our School Site Council and ELAC, and implementation of the plan is monitored throughout the school year to ensure that ESSA requirements are met.

------------------------------------	---

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Our school begins the needs assessment process in the month of January when we hold our site LCAP engagement meetings. During this meeting we share data points and metrics that are available for the district and the school site. We also send a K12 Insight Survey to all of our staff, students, and parents. The District K12 Insight Survey is taken by students, parents, and staff, providing quantifiable data regarding school culture and climate. Likewise, data is documented in this plan in the following pages with a data analysis is at the end of each data point. Our needs are then listed on our Goal pages. The needs assessment process continues with our ELAC when they give input into the SPSA for EL programs. The SSC reviews all of this data and then approves the new plan to address the identified needs. The 2023-24 School Quality Survey for parents, students and staff was administered during in winter of 2024. At our school, we had the following numbers of participants for each participating groups:

Parents -- 26

Students- 96

Staff – 11

*The number of surveys are low and there should be better participation in all three groups to gather better data and make the data valid.

In the K12 parent survey, we learned the following about our engagement groups:

1. 100% of parents feel that staff member to whom a student can go to for help with a personal concern.
2. 100% of staff feel that Buena Vista High School has high learning standards for all students.
3. 96% of students feel that teachers clearly explain learning standards and expectations to all students.

Here are three data points that we can celebrate:

1. 100% of parents said that students receive the support they need to prepare for the next grade level/life after school
2. 100% of staff said that teachers clearly explain standards and expectations to all students
3. 96% of students said that teachers give timely feedback about student work.

Here are three data points that show our opportunities:

1. 88% of parents said that Buena Vista offers students a variety of activities and courses.
2. 73% of staff said that the school offers students a variety of extracurricular activities.
3. 72% of students said that they are academically challenged by their schoolwork.

In the 2022-23 Healthy Kids Survey, Percentage of students who have never tried vaping has decreased since the last test administration at the 9th grade and 11th grade levels.

Grade 7- 95%

Grade 9- 89%

Grade 11- 83%

The Tiered Fidelity Inventory (TFI) is administered to identify the extent to which school personnel are applying the core features of the Multi-Tiered System of Supports (MTSS) implemented at the

site. Our overall TFI score reflects that, as of 4/17/24, an External TFI completed at Buena Vista High School reflected 93% implementation for school-wide PBIS implementation of Tier I. The PBIS team listed the following area(s) of focus for the 22-23 school year:

1. Have a parent involved and on the PBIS Team
2. Update the expectations matrix

* External TFI Tier 1 will be conducted on 5/1/23, so no results are available as of today (3/17/23).

An LCAP site engagement meeting was held and the following themes emerged from the feedback received through the survey that was provided to parents.

Goal 1: More family engagement opportunities

Goal 2: More communication through parent square/phone blasts

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Our site administration conducts walk-throughs on a regular basis and observations will continue to be focused on student observables in the learning environment based on District protocol and evidence based on the District's Yellow Sheet. Administration will closely observe the engagement of the EL students in the class in future visits that take place weekly. Our focused observations are school wide and the Don Lugo feeder group focus is utilizing the "I Can..." statements. Lessons should start by engaging the students with the learning intentions stated in student friendly terminology, "I Can...statements." The learning targets are from the essential standards that has been a collaborative process between the district and teachers. This is focus is #8 on the "Yellow Sheet." Which is in more detail, Collectively respond with intervention and extension for the learning target(s) with Tier I and Tier 2 instruction.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Our site utilizes the Professional Learning Communities (PLC) process to analyze state and local assessments to modify instruction and improve student performance. PLC's occur weekly to analyze data and make decisions with regards to instruction and support. Every site Principal meets annually as a whole with district administration in July 2023, titled: "Leadership Charge" to review previous years data and progress on site SMART Goals, ESA Data, Assertive Discipline, etc. to name a few topics. Through this collaborative process Schoolwide SMART Goals were developed in the areas of ELA, Math, and PBIS for the 2023-2024 school year. Site administration met with the Staff Leadership Team and will continue to meet to determine Action Steps in the areas of Curriculum and Instruction, Assessment, and Professional Development that will support achieving the SMART Goals. Essential Standards Assessments (ESA's) will be administered three times throughout the year and analyzed through the PLC process. Teacher data chats occur after each quarter (October, December, March, and May) to review student achievement and plan for interventions.

SMART Goal #1: School wide, students No Grades (NG's) not to exceed 20%

SMART Goal #2: ELA and Math CAASPP scores will increase by 5% respectively

SBAC data is utilized along with formative and summative assessments, ELA and Math Assessments aligned with CCSS. These assessments are used to identify student levels of achievement and determine the needs for extended learning including intervention and enrichment. Teachers meet during Professional Learning Communities (PLC) to review data and plan multi-tiered interventions based on student needs. In addition to the CVUSD Essential Standards Assessments, we will continue to use data from the 2023 Dashboard to meet State Indicators and monitor growth. Teachers will monitor the growth of student groups, all subgroups.

Essential Standards Baseline Data Math, August 2023

Grade/ Percent Exceeded or Met standard

IM1: 17%

IM2: 9%

IM3: 0%

Essential Standards Baseline Data ELA, August 2023

Grade/ Percent Exceeded or Met standard

11th Grade: 11%

12th Grade: 20%

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The PLC process is used to analyze data and to monitor student progress and to respond with intervention and extension for the learning targets with Tier 1 and Tier 2 instruction. Our site will use the CVUSD Essential Standards in ELA and Math to monitor student progress and modify instruction. Essential Standards Assessment will be used three times a year to determine progress toward meeting site SMART Goals in ELA and Math. ELA and Math will continue to be an area of focus. Our English Learners is a student group that we will monitor progress regularly. Here are the end of the year benchmarks that were achieved for each grade level:

Essential Standard Final Benchmark Data for Math Spring 2024:

Percent Exceeded or Met Standard

33% for all three levels combined (IM1, IM2, IM3)

Essential Standard Final Benchmark Data for ELA Spring 2024:

Percent Exceeded or Met Standard

36% for both ELA 11 and ELA 12 combined

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

100% of our teaching staff meet the state certification and licensure requirements to in the field that they are assigned. We have successfully hired and filled every class with highly qualified teachers.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

The Board of Education believes that in order to maximize student learning certificated staff members must be continuously learning and improving their skills. The Superintendent or designee shall develop a program of ongoing professional development which includes opportunities for teachers and certificated teaching assistants to enhance their instructional and classroom management skills and increase their knowledge of academic content in the core curriculum. The program may include but is not limited to:

1. Mastery of discipline-based knowledge including the state-adopted standards, and effective subject-specific pedagogical skills.
2. Training in the use of technologies that enhance instruction.
3. Sensitivity to the needs of diverse student populations, including minorities, students with disabilities, English Language Learners, and economically disadvantaged students; ability to meet those needs.
4. Understanding of how academic and vocational instruction can be integrated and implemented to increase student learning; skill in evaluating and combining available instructional resources; opportunities to collaborate with other staff members in the alignment of academic and vocational curricula.
5. Knowledge of strategies that enable parents/guardians to participate fully and effectively in their children's education.
6. Effective classroom management skills; ability to relate to students, understand their various stages of growth and development, and motivate them to learn.
7. Training related to student health, safety and welfare.

The district's staff development program shall provide maximum opportunities for staff participation without impacting the number of instructional days offered to students as required by law.

The Board believes that staff development should support school improvement objectives. The Superintendent or designee shall develop a district staff development plan that is coordinated with school plans and objectives established by individuals who are closest to the classroom and most knowledgeable about the needs of the school and its students. The Superintendent or designee shall ensure that the district meets its obligations related to the professional growth of individual probationary and permanent teachers. Because the Board believes that intensive professional development is especially critical during the beginning years of a teacher's career, the Superintendent or designee shall develop a voluntary program of individualized support and assistance for first-year and second year teachers. The Board may budget funds for actual and reasonable expenses incurred by staff who participate in staff development activities.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development is aligned to the district's 2023-2024 Areas of Emphasis and LCAP Goals. Staff development will focus on the PLC process, Student Engagement, and Essential Standards. Support will also be given in ELA/ELD, Math, and Positive School Culture. Our site will hold PD annually to support the instruction of our English Learners.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

District instructional coaches will provide ongoing assistance and support to teachers to address the needs of English Learners, Students with Disabilities, Foster Youth, Economically Disadvantaged, and technology support in order to master standards in ELA and Math. An onsite instructional coach provides ongoing site specific professional development in collaboration with teachers and based on their needs. The instructional coach models lessons, co-teaches, and trains teachers in development of CCSS ELA and math lessons, student engagement, and intervention strategies. The coach collaborates with teachers to meet their individualized professional development support needs. An on-site Intervention Counselor will provide ongoing specific trainings to teachers to support student social emotional health.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teacher collaboration occurs weekly through the PLC process embedded in the school day. Teachers meet by grade level, departments, and/or school-wide articulation in order to plan, analyze and respond to student data. Following the District's Yellow Sheet, teachers are expected to follow and implement "PLC Right". Teachers also collaborate vertically with the grade levels above or below. Data gathered from these meetings is used to target intervention needs and strategies across the grade level.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

An analysis of the recent ESA data results took place in August, January, and March with district and site personnel. The ESA data is aligned to the Common Core Standards, which supports the curriculum and instruction of the teaching materials. SMART Goals were drafted in August, and action steps were identified in the areas of Curriculum/Instruction, Assessment, and Professional Development in order to ensure alignment and strengthen the core academic program in ELA and Math for all students. The following student groups were identified in needing support to become proficient: Students with disabilities, English Language Learners, and socio-economically disadvantaged students.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Buena Vista High School adheres to the current state required daily instructional minutes. Students who are English Learners engage in a minimum of 30 minutes of ELD per day. PE minutes are provided based on the mandates listed in Education Code. A school year consists of a minimum of 180 school days. The following number of minutes are required by the California Department of Education within a school year:

K	36,000
1–3	50,400
4–8	54,000
9–12	64,800

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

An analysis of curriculum lesson pacing in ELA and Math and master schedule flexibility has allowed for the development of the following intervention courses: 2 additional intervention sections in Math (titled, Study Skills), for a total of 5 within the Math department (daily). During these sections, Math Teachers have the flexibility to interchange students for reteaching and extension. 2 such courses have been developed for our ELA courses as well.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

100% of our students have available to them standards-base instructional materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

100% of our students have access to standards-aligned core courses and instructional materials.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

The following services are provided by our regular program that enables under-performing students to meet standards: ELA and Math intervention class embedded within the school day. Before school, lunchtime, and after school tutoring is available and students take advantage of this opportunity. The CARE/HOPE Program, additional counseling services (Soroptimist, Friday Night Live, Project Sister, House of Ruth, and Chino Human Services) will continue to be offered on campus.

Evidence-based educational practices to raise student achievement

Through this comprehensive needs assessment process, academic performance and language development data determined that our English Learners continue to be a group that we need to support during ELD and IELD. The number of students scoring a 4 on ELPAC declined significantly as shown in the data summary pages of this SPSA. English Learner data will be evaluated annually through the ELPAC and the ESA. Also, the socioeconomic disadvantaged group and the Hispanic subgroup needs extra supports in Math and college/career beyond. All subgroups will receive extra help during the school day and after school. The three goals within this SPSA plan will monitor the progress of the English Learners each year and actions are developed to support implementation towards accomplishing program goals. In order to raise student achievement, the following educational practices are in place: Scaffolding, Check for Understanding, No Opt-Out Response, Reteach, Common Formative Assessments, and utilizing the PLC process for analyzing student data.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Information is provided on best practices focusing on parent and family engagement topics that assist the needs of our school and under-achieving students as described from feedback in our annual parent survey. The district Family Engagement Center (FEC) provides monthly and weekly workshops on topics parents can use to support their child's academic and behavioral success. The FEC offers a seven-week English Learner Parent Academy and monthly Special Education support group meetings. Federal funds are used to support the teacher-parent partnership for building a strong community for student success. Buena Vista High School has multiple resources available to support under-achieving students including multiple intervention programs both in school and outside of school, parent classes and programs, and access to intervention software programs. Students who are in-transition of housing needs or financial hardship are referred to the HOPE Center for supports. The district uses Parent Square and Peach Jar to regularly communicate the resources available to the families.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

The Action Team for Partnership committee collaborates on the development of the engagement policy and the Home School Compact. This committee ensures each site receives SSC approval and distributes a copy to each parent and family member of each student. The Action Team for Partnership meets three times per as a group of admin, parents, and teachers to discuss the planning, implementation, and evaluation of parent programs. DELAC meets 4 times per year and discuss the planning, implementation, and evaluation of the consolidated application programs. The Parent Engagement Policy is found our on school website and in the lobby of our school office. The district has scheduled parent training and workshops on topics such as understanding LCAP, SSC, ELPAC, CAASPP, Early Literacy, Parents as Partners, Transitions, Learning at Home, and IEP 101. The district Parent School Community Specialist works collaboratively with site administration to promote and increase parent engagement in monitoring student academic progress, school decision-making and participation in activities. The Family Engagement Center provides professional development for administration, teachers and classified support staff on topics such as training parent son PBIS, the Reading Process and Effective Instruction, Parents as Partners, Digital Tools, Learning at Home, and Struggling Learners in Reading, Writing, and Math to support creating partnerships for academic success. Each workshop addresses the unique needs of students with disabilities, English learners and migratory children when applicable. The FEC hosts workshops for parents and family caregivers to support mental health awareness. Our school site has a ELAC and School Site Council.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

See SPSA Actions/Services

Fiscal support (EPC)

See SPSA Budget Section

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Our English Language Advisory Committee (ELAC), School Site Council (SSC), and Parent Teacher Organization (PTO) provide our parents an opportunity to exercise decision making. These standing committees also inform our parents about school mandates, state initiatives, school funding and school accountability. Parents involved in School Site Council, ELAC, and those at large can provide input in our school plan development, monitor progress, and other programs to implement throughout the school year using categorical funds. Buena Vista High School is committed to meaningful Educational Partners involvement in developing and gaining input on the development of the SPSA plan. Students, parents/guardians, staff and community are involved in the process. All Educational Partners review the process of actions/services implemented in the past year and current year, and review data related to each school goal. Feedback from Educational Partners K-12 Insight Surveys was included as part of the data review. An analysis of progress towards goals, current data, and impact on student learning was done and the SPSA was revised and updated based on the identified current learning needs. Lastly, we are very fortunate to have many parents that care about our school. They support initiatives and they are important partners as we strive towards continuous improvement. The SPSA was reviewed, revised, shared, and documented in the minutes at the following meetings:

2023-2024 School Year:

School Site Council - Introduced on 9/6/2023 for feedback and/or suggestions. Adjustments made and approved on 9/26/2023.

Staff Meeting Introduced on 9/7/2023 for feedback and/or suggestions.

ELAC: Introduced on 8/22/2023 for feedback and/or suggestions. ELAC meetings are conducted in October, January, March and May. All EL parents are invited to the School Site Council meetings in order to provide feedback and/or suggestions for English Learners. School Site Council, ELAC, and Title 1 are discussed at every mandatory parent/student orientation in August, October, December, and March.

2023-2024 School Year

School Site Council - Introduced on 5/8/2023 for feedback and/or suggestions. Adjustments made and approved on 5/15/2023.

Staff Meeting Introduced on 5/11/2023 for feedback and/or suggestions.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

During our comprehensive needs assessment, the School Site Council as well as the entire staff closely analyzes student achievement data to evaluate the needs of our students, school, and programs. Through a close study of our data, we recognized that there was an underperformance in three main subgroups (EL, Socioeconomic Disadvantage, and Foster/Youth). As a result, this year, greater resources will be allocated this year to all students, but in particular to these three subgroups because this makes up all most of all of our population (80%). In reviewing and analyzing Buena Vista's master schedule, the opportunity for students to take a variety of courses to complete the A-G requirement is limited, particularly in the Visual and Performing Arts and Elective categories. Specifically, adding Spanish 2, would help students become "College and Career" ready. Additional courses were added (6) during the 2021-2022 school year (and are still active) to give all students and all subgroups the opportunity at a variety of courses to achieve the A-G requirement. Four additional sections were added during the 2022-2023 (Career Exploration, Life Skills, Introduction to Business, and Law and You) school year to make a total of 10 sections that were added to the master schedule in the past two years to help improve this inequity. We are always looking to add as many courses as we can, but we are limited to having 13 full FTE's and the core subjects take up the majority of the sections throughout the year. On campus ROP courses throughout the day are being explored to help fulfill A-G requirements, as well as, fulfill College and Career Readiness indicator. Culinary Arts has been added as a class and opportunity for all students to fulfill the CTE requirement.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Grade 11	55	56	44
Grade 12	112	109	140
Total Enrollment	167	165	184

Conclusions based on this data:

1. We have five in-takes where students are enrolled throughout the year. Buena Vista accepts 99% of the applicants. The students, or 1%, who are not accepted are given a chance for the next in-take if they improve their glaring weakness at the time of the application (i.e. attendance or behavior). Everyone is given a chance because that is why we exist, to help students get back on track and graduate.
2. Students who transfer from another continuation high school are automatically accepted and do not have to wait for the next in-take.
3. Students struggled during the pandemic and therefore fell behind academically. As a result many students who were on track to graduate are now not on track to graduate. Buena Vista reaches out to the four comprehensive high schools monthly as a reminder that we are here to accept students and provide support.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	19	20	27	11.40%	12.1%	14.7%
Fluent English Proficient (FEP)	64	60	60	38.30%	36.4%	32.6%
Reclassified Fluent English Proficient (RFEP)	1			5.3%		

Conclusions based on this data:

1. Students do not take the ELPAC Test serious enough to score a "4" for reclassification. The students are capable, but they need to show their proficiency on the actual test.
2. Students are behind on credits for graduation in all subject areas, not just ELA. They are concentrating on so many other classes that need to be recovered in all core subject areas. ELA support is needed across all subject areas.
3. Currently, in the 2023-2024 school year, we have three students who have been reclassified and one student going through the process of reclassification.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Grade 11		4.39	6.93		73.68	70.30		21.93	22.77
All Grades		4.39	6.93		73.68	70.30		21.93	22.77

Research/Inquiry Investigating, analyzing, and presenting information									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	20-21	21-22	22-23	20-21	21-22	22-23	20-21	21-22	22-23
Grade 11		6.14	4.95		73.68	70.30		20.18	24.75
All Grades		6.14	4.95		73.68	70.30		20.18	24.75

Conclusions based on this data:

1. Listening and Research/Inquiry are stronger areas. Reading claim went from 66% to 76% E/M
2. All areas of ELA continue to be a concern, although all areas have shown improvement. Focus will be on literary and non-fictional text.
3. Focus will be on the "At or Near" percentage to push those students up a level (met or exceeded). ESA data will be utilized to align with CAASPP.

School and Student Performance Data

CAASPP Results Mathematics (All Students)

Overall Participation for All Students												
Grade Level	# of Students Enrolled			# of Students Tested			# of Students with			% of Enrolled Students		
	20-21	21-22	22-23	20-21	21-22	22-23	20-21	21-22	22-23	20-21	21-22	22-23

All Grades		0.00	0.00		60.53	55.56		39.47	44.44

Conclusions based on this data:

- Two years in a row that Buena Vista math registered students meeting or exceeding the state standards. Continue to grow and raise the percentage of students meeting or exceeding state standards.

2. Problem solving and modeling data analysis with real world applications will be a focus.
3. The percentage of students at or near the standard grew tremendously in all subtests (15%, 37%, 25%). Focus on these students to push them up a level (met/exceed).

All Grades	8.70	9.09	15.79	69.57	77.27	63.16	21.74	13.64	21.05	23	22	19

Conclusions based on this data:

1. ELPAC results show students with an overall percentage growth in Level 3 and level 4.
2. Reading Domain is the area of weakness which will be addressed in all core subject areas, not just ELA.

3. Speaking was the highest percentage (100% for level 3 and level 4 combined). This shows the students are able to express their needs and show evidence of strong communication skills. We will continue this and also focus on the reading , writing, and listening domains.

School and Student Performance Data

Student Population

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

2022-23 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
184	79.3	14.7	1.1
Total Number of Students enrolled in Buena Vista High School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2022-23 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	27	14.7
Foster Youth	2	1.1
Homeless	14	7.6
Socioeconomically Disadvantaged	146	79.3
Students with Disabilities	18	9.8

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	3	1.6
American Indian	1	0.5
Asian	9	4.9
Filipino	2	1.1
Hispanic	156	84.8
Two or More Races	2	1.1
Pacific Islander	1	0.5
White	8	4.3

Conclusions based on this data:

1. Provide extra support for all students, but Socioeconomically Disadvantage students need to be connected with our CARE/HOPE program for additional resources.

2. Our Homeless population also needs to be connected with our CARE/HOPE Program for additional resources. Analyze transcripts to see if students qualify for AB 1806.
3. Make the connection and build a rapport with every students so they feel comfortable enough to ask for help.

School and Student Performance Data

Overall Performance

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

2023 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts  Orange	Graduation Rate  Blue	Suspension Rate  Green
Mathematics  Red	Chronic Absenteeism  No Performance Color	
College/Career Very Low		

Conclusions based on this data:

1. ELA and Math have improved in the performance area, but we need to keep on improving at least one status level.
2. Reduce the amount of suspensions from medium to low.
3. Graduation rate is the biggest and most important status level for Buena Vista. It is high, but move to the next status which is very high.

School and Student Performance Data

Academic Performance English Language Arts

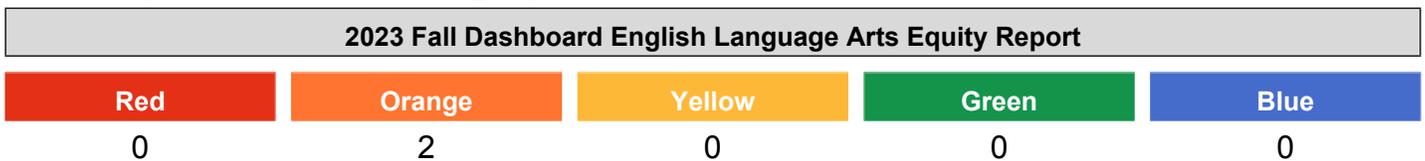

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2023 Fall Dashboard English Language Arts Performance for All Students/Student Group		
<p>All Students</p> <p>Orange</p> <p>55 points below standard</p> <p>Increased Significantly +20.9 points</p> <p>36 Students</p>	<p>English Learners</p> <p>Less than 11 Students</p> <p>7 Students</p>	<p>Foster Youth</p> <p>Less than 11 Students</p> <p>0 Students</p>
<p>Homeless</p> <p>Less than 11 Students</p> <p>6 Students</p>	<p>Socioeconomically Disadvantaged</p> <p>Orange</p> <p>51.1 points below standard</p> <p>Increased Significantly +17.2 points</p> <p>31 Students</p>	<p>Students with Disabilities</p> <p>Less than 11 Students</p> <p>2 Students</p>

2023 Fall Dashboard English Language Arts Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
Less than 11 Students 0 Students	 No Performance Color 0 Students	Less than 11 Students 0 Students	 No Performance Color 0 Students
Hispanic	Two or More Races	Pacific Islander	White
 Orange 59.5 points below standard Increased Significantly +16.3 points 35 Students	Less than 11 Students 1 Student	 No Performance Color 0 Students	Less than 11 Students 2 Students

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2023 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
Less than 11 Students 4 Students	Less than 11 Students 3 Students	33.8 points below standard Increased Significantly +43.8 points 19 Students

Conclusions based on this data:

- Utilize the District Wide Assessment (ESA's) as direct indicators of student success as well as gaps in learning. Analyze each ESA to keep progressing and close the achievement gap.
- Administer practice CAASPP tests in each quarter to have the students familiarize themselves with the testing format. Focus on each subgroup during the months prior to the actual CAASPP test.
- Close the status level from very low to low. Focus on the points below the standard as a reference on improvement.

School and Student Performance Data

Academic Performance Mathematics

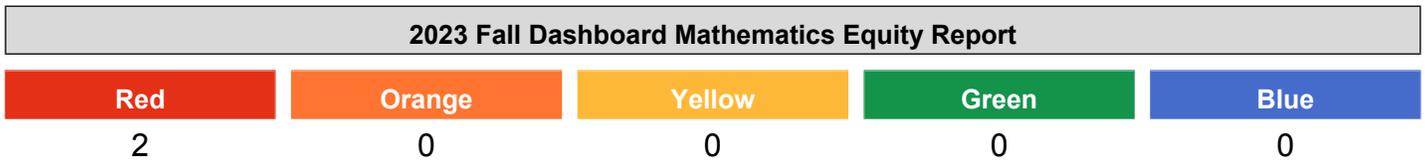

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2023 Fall Dashboard Mathematics Performance for All Students/Student Group		
<p>All Students</p>  <p>Red</p> <p>176.8 points below standard</p> <p>Decreased -6.7 points</p> <p>36 Students</p>	<p>English Learners</p> <p>Less than 11 Students</p> <p>7 Students</p>	<p>Foster Youth</p> <p>Less than 11 Students</p> <p>0 Students</p>
<p>Homeless</p> <p>Less than 11 Students</p> <p>6 Students</p>	<p>Socioeconomically Disadvantaged</p>  <p>Red</p> <p>179.1 points below standard</p> <p>Decreased -11.9 points</p> <p>30 Students</p>	<p>Students with Disabilities</p> <p>Less than 11 Students</p> <p>3 Students</p>

2023 Fall Dashboard Mathematics Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
Less than 11 Students 0 Students	 No Performance Color 0 Students	Less than 11 Students 0 Students	 No Performance Color 0 Students
Hispanic	Two or More Races	Pacific Islander	White
 Red 188 points below standard Decreased Significantly - 22.8 points 34 Students	Less than 11 Students 1 Student	 No Performance Color 0 Students	Less than 11 Students 2 Students

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2023 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
Less than 11 Students 4 Students	Less than 11 Students 3 Students	162.3 points below standard Increased Significantly +17.8 points 19 Students

Conclusions based on this data:

1. Utilize the District Wide Assessment (ESA's) as direct indicators of student success as well as gaps in learning. Analyze each ESA to keep progressing and close the achievement gap.
2. Administer practice CAASPP tests in each quarter to have the students familiarize themselves with the testing format. Focus on each subgroup during the months prior to the actual CAASPP test.
3. The total points for each subgroup that are below standard is too large. Focus on the the total points below standard and close that gap.

School and Student Performance Data

Academic Performance English Learner Progress

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2023 Fall Dashboard English Learner Progress Indicator

English Learner Progress
22.2% making progress towards English language proficiency
Number of EL Students: 18 Students
Performance Level: No Performance Level

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2023 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
10	4	1	3

Conclusions based on this data:

1. Support the EL students towards reclassification. Decrease a level should be 0%
2. Monitor our EL students in all subject areas.
3. Take the 45% making progress towards proficiency and increase that percentage by 10% yearly

This section provides information about students completing high school, which includes students who receive a standard high school diploma.

2023 Fall Dashboard Graduation Rate for All Students/Student Group		
All Students Blue 97% graduated Increased Significantly 5.1 101 Students	English Learners 100% graduated Increased Significantly 15.4 19 Students	Foster Youth Less than 11 Students 1 Student
Homeless 92% graduated Increased 1.5 25 Students	Socioeconomically Disadvantaged Blue 96.8% graduated Increased 4.5 94 Students	Students with Disabilities Less than 11 Students 10 Students

2023 Fall Dashboard Graduation Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
Less than 11 Students 2 Students	 No Performance Color 0 Students	Less than 11 Students 3 Students	Less than 11 Students 1 Student
Hispanic	Two or More Races	Pacific Islander	White
 Blue 97.8% graduated Increased Significantly 5.9 89 Students	Less than 11 Students 1 Student	 No Performance Color 0 Students	Less than 11 Students 4 Students

Conclusions based on this data:

1. Highest graduation rate Buena Vista has ever had! The bar is set for us to continue at this level!
2. When one or two students do not graduate in a subgroup, the percentage drastically drops, so every student counts!
3. Continue to communicate with all stakeholders about the importance of attendance and completing classes towards graduation.....

School and Student Performance Data

Conditions & Climate Suspension Rate

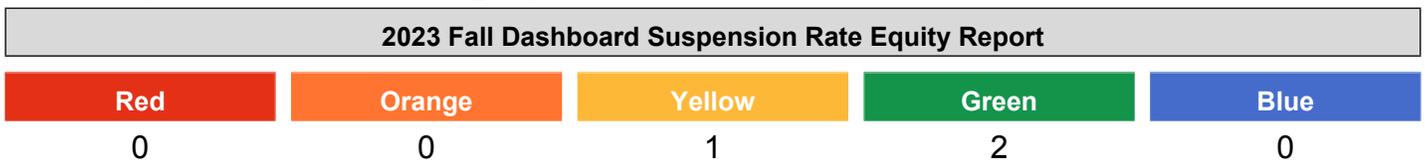

The 2023 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words "No Performance Color."

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2023 Fall Dashboard Suspension Rate for All Students/Student Group		
<p>All Students</p> <p>Green</p> <p>2.3% suspended at least one day</p> <p>Declined -1.3 264 Students</p>	<p>English Learners</p> <p>Yellow</p> <p>5.4% suspended at least one day</p> <p>Maintained 0.1 37 Students</p>	<p>Foster Youth</p> <p>Less than 11 Students 3 Students</p>
<p>Homeless</p> <p>3.1% suspended at least one day</p> <p>Increased 3.1 32 Students</p>	<p>Socioeconomically Disadvantaged</p> <p>Green</p> <p>2.7% suspended at least one day</p> <p>Declined Significantly -2.4 219 Students</p>	<p>Students with Disabilities</p> <p>0% suspended at least one day</p> <p>Maintained 0 30 Students</p>

2023 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
Less than 11 Students 5 Students	Less than 11 Students 1 Student	0% suspended at least one day 11 Students	Less than 11 Students 2 Students
Hispanic	Two or More Races	Pacific Islander	White
 Green 2.3% suspended at least one day Declined -0.5 219 Students	Less than 11 Students 7 Students	Less than 11 Students 1 Student	0% suspended at least one day Maintained 0 18 Students

Conclusions based on this data:

1. The percentages of suspensions are low for each subgroup but it is still in the medium status level. Decrease the status level to low.
2. Use "Other Means of Corrections" in lieu of suspensions.
3. The subgroups have a larger percentage of suspensions than the overall percentage. This is due to fewer students in subgroups vs the overall number. However, be aware of each subgroup and suspensions.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

High-Quality Teaching and Learning Environment

LEA/LCAP Goal

LCAP Goal 1: All students are provided a high-quality teaching and learning environment. [Priority 1, 2, and 7]

Priority 1: Credentials, Instructional materials, Facilities

Priority 2: Implementation of SBE adopted standards and programs/services that enable English learners to access the CA standards and ELD standards

Priority 7: Broad course of study, Programs/Services for Unduplicated pupils and provided to individuals with exceptional needs (College and Career Readiness for High school ONLY)

Goal 1

All teachers will provide quality first instruction and targeted intervention utilizing instructional strategies and evidenced-based programs and adoptions to ensure that all under performing and disadvantaged students experience academic growth as measured by CVUSD assessments throughout the year and SBAC results at the end of the year.

All teachers will be provided professional development that supports effective instructional strategies in ELA/ELD, Math, Science, and Technology to ensure all students experience academic growth as measured by CVUSD assessments throughout the year and SBAC results at the end of the year.

Goal 1: When administration visits classrooms, minimum 5 classroom visits per week, teachers will have:

Our collective school site agreements are:

1. Posted Learning Intention matches the language and the rigor of the standard
2. Success Criteria is posted and connects to Learning Intention
3. Explicitly referenced with Learning Intention or Success Criteria
4. Learning Intention or Success Criteria is connected to an essential standard
5. Observed lesson/student work matches the posted Learning Intention(s)
6. Intentional Student Engagement

Goal 1: At the end of each respective quarter, 80% of students will earn passing grades. No grades (NG) not to exceed 20%.

Identified Need

In the 2023-2024 school year students did not exceeded the 20% threshold. In all 4 Quarters, Buena Vista hit their goal!!!

Quarter 1: 8% No Grades/92% Passing

Quarter 2: 9.5% No Grades/90.5% Passing

Quarter 3: 7.5% No Grades/92.5% Passing

Quarter 4: TBD No Grades/TBD Passing

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Essential Standards Assessments for English Language Arts	23-24 ESA ELA #3 Grade 11: 42% 23-24 ESA ELA #3 Grade 12: 29%	24-25 ESA ELA #3 Grade 11: 48% 24-25 ESA ELA #3 Grade 12: 38%
Essential Standards Assessment for Math	23-24 ESA Math #3 IM1: 40% 23-24 ESA Math #3 IM2: 50% 23-24 ESA Math #3 IM3: 8%	24-25 ESA Math #3 IM1: 50% 24-25 ESA Math #3 IM2: 60% 24-25 ESA Math #3 IM3: 15%
Team Analysis of Common Assessment TACA	Learning Intentions Visible/Posted: 95% Success Criteria posted and connects to "I Can": 95% Learning Intentions is an Essential Standard: 90% Student Engagement with Learning Intention: 80% Activity matches Essential Standard: 80%	Learning Intentions Visible/Posted: 100% Success Criteria posted and connects to "I Can": 100% Learning Intentions is an Essential Standard: 100% Student Engagement with Learning Intention: 100% Activity matches Essential Standard: 100%

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

1.1. Professional Development training and release time will be provided to staff to utilize the PLC process in the following areas: Reviewing Essential Standards prior to instruction, develop department SMART Goals, analyze grade reports (teacher data chats), incorporate check for understanding by creating a no-opt out learning environment (engagement), learning intentions and success criteria for essential standards, and creating Common Formative Assessments. Virtual Conferences and In-Person conferences for support.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

11,646	Title I Part A: Allocation 1000-1999: Certificated Personnel Salaries 1.1a Release time, time sheets, substitute pay, conference costs
290,506	District Funded 1000-1999: Certificated Personnel Salaries Title I and Title III District money will cover the cost of an Access and Equity Instructional Coach/TOSA that will support staff co-teaching, instructional strategies, use of data, and implementation of the ELD/ELA common core standards
5600	Title II Part A: Improving Teacher Quality 5000-5999: Services And Other Operating Expenditures Funds will be used to send staff to conferences and other trainings.

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students, English Learners

Strategy/Activity

1.2. Provide staff with supplemental materials needed to address student needs identified through the PLC process. Focus area in ELA and Math

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
5,107.53	Title I Part A: Allocation 4000-4999: Books And Supplies 1.2a

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

1.3 Tech Coach/TOSA

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

113648

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
1.3a Title I and Title IV District money will cover the cost a Tech Coach/TOSA that will support staff with the integration of technology into instructional programs.

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

1.4 Quick Copy for teachers

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

640

Source(s)

Lottery: Instructional Materials
5000-5999: Services And Other Operating Expenditures
1.4a Teachers utilize Quick Copy as a service provided by CVUSD to ensure All teachers will provide quality first instruction and targeted intervention utilizing instructional strategies and evidenced-based programs and adoptions.

Annual Review

SPSA Year Reviewed: 2023-24

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The following strategies/activities were Fully Implemented: 1.1. Professional Development training and release time will be provided to staff to utilize the PLC process in the following areas: Reviewing Essential Standards prior to instruction, develop department SMART Goals, analyze

grade reports (teacher data chats), incorporate check for understanding by creating a no-opt out learning environment (engagement), learning intentions and success criteria for essential standards, and creating Common Formative Assessments. Virtual Conferences and In-Person conferences for support. 1.2a Books, materials, resources to support professional development for teachers that will impact student achievement. Teachers will be provided with materials when attending PD. Materials that may be provided may include: Success Criteria Playbook, which support the CCSS to maximize student achievement in ELA/ELD, Math, and Science. Supplementary materials to be used will support skill development in the following areas: identifying similarities and differences, summarizing and note taking, cooperative learning, setting objectives and providing feedback, and advanced organizers. 1.3 Upgrade and replace computers and acquire technology tools to support instructional program. Integration of technology into lessons across core subjects to develop the skills students need in order to become 21st century learner. 1.5a Teachers utilize Quick Copy as a service provided by CVUSD to ensure All teachers will provide quality first instruction and targeted intervention utilizing instructional strategies and evidenced-based programs and adoptions. The strategies/activities that were highly effective and fully implemented were 1.1 (The PLC Process), 1.2 (Materials and supplies to implement the PLC Process), 1.3 Technology and software, and 1.5 (Quick copy)

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The school-wide SMART goal of No Grades (NG's) not to exceed 20% has been met in the first three quarters. A low percentage of NG's leads to more classes being passed which leads to more students graduating. The Don Lugo Feeder Group has been working hard on: (1). Posted Learning Intention matches the language and the rigor of the standard (2). Success Criteria is posted and connects to Learning Intention (3). Explicitly referenced with Learning Intention or Success Criteria (4). Learning Intention or Success Criteria is connected to an essential standard (5). Observed lesson/student work matches the posted Learning Intention(s) (6). Intentional Student Engagement. This is a continued effort to keep working through the PLC process and it shows in the improvement in ESA scores. There was a major difference in Strategy/Activity 1.4 and the expenditures. There was no extra Aeries training provided this year for our counseling tech.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Goal #1 will remain relatively the same. Keep providing Professional Development, keep staying up to speed on the latest technology, and keep supplying the teachers with the materials they need to be successful in the classroom. There won't be too many changes to this goal. The one main action item in this goal that could be utilized more is the use of the instructional Coach/TOSA that will support staff co-teaching, instructional strategies, use of data, and implementation of the ELD/ELA common core standards

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Connections to and Engagement at School to Ensure Student Success

LEA/LCAP Goal

LCAP Goal 2: Staff, parents, families, and students are connected and engaged at their school to ensure student success. [Priorities 3, 5, 6]

Priority 3: Parent Involvement

Priority 5: School Attendance, Dropout Rates, Chronic Absenteeism

Priority 6: Suspension Rates, Expulsion Rates, Safety and School Connectedness

Goal 2

Parent Involvement: Parents will be involved with supporting their child to complete credits and prepare for graduation as measured by proactive, positive, parent interactions with the school staff.

MTSS B:

Suspension/Expulsion

By end of year, students identified at-risk (meeting criteria for MTSS-B) are offered Tier 2 and 3 interventions

Chronic Absenteeism

By the first Wednesday of October, and on a monthly basis thereafter, site will have identified students to be monitored as at-risk of chronic absenteeism. Paying attention to all subgroups.

Reduce school Dropout Rate:

100% of students have been identified and coded appropriately within 30 days of student exit.

Goal 2: Buena Vista will maintain the graduation rate of 95% or higher.

School Level SMART Goal: By May 2024, we will score a 2 out of 2 on Tier 2 TFI Feature 2.5 by establishing multiple options for Tier II interventions that are documented and using data to assess their effectiveness.

Identified Need

Current Reality: Buena Vista scored 100% on the External TFI for Tier 1. LCAP Goal 2: Students, parents, families, and staff are connected and engaged to their school to ensure student success. Increase the outreach to parents to express the importance of attendance (23-24) it was >97%%, which in alignment with the district standard of 97.5%. Also, increase the number of students earning a high school diploma. Buena Vista was at 93% in 2020-2021, 91% in 2021-2022, and in 2022-2023 the graduation rate was 97%.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
------------------	-------------------------	------------------

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Graduation Rate	97% students graduated in 2023	Maintain the graduation rate and/or increase the graduation rate by 1-2%
Suspension Rate	3.6%	Decrease the suspension rate by 2%
Attendance	97% Attendance rate for the 2023-2024 school year	Increase the attendance rate to 98%
TFI	Buena Vista scored 100% on Tier 1 External TFI, 100% on Tier 2, and 88% on Tier 3.	Achieve Platinum Status

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

2.1. Buena Vista supplies every student with a backpack to stay organized in order to increase course completion which would improve the graduation rate.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

1200

Source(s)

Title I Part A: Allocation
5000-5999: Services And Other Operating Expenditures
2.7a. Increase attendance rate by building a positive school climate and ownership including school identification and other materials.

Annual Review

SPSA Year Reviewed: 2023-24

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Fully Implemented activities/strategies: 2.1. Buena Vista supplies every student with a backpack to stay organized in order to increase course completion which would improve the graduation rate. 2.2. Engage families on the progress of their student(s) by having grade reports available every two weeks in the form of "walk around(s)" where every teacher lists and signs for the most current

grade. Parent information night to explain the walk-around form and to explain/model the importance of 2-way communication. 2.4. Classified staff will be used for parent engagement and community outreach to ensure a connection between school, home, and community. 2.8 Student and parent orientations prior to each student being enrolled at Buena Vista to cover campus/classroom expectations, graduation requirements, 2-way communication, and additional supports that are provided by the school, district, and community. 2.10 Provide students with identification cards with their current photograph. Students need their I.D.'s to attend dances at other schools and for employment purposes. Also, the current pictures in Aeries are outdated. These I.D. cards will help them take ownership and pride in their new school. Suicide prevention and hotline phone number will be included on the back of each card. We fully implemented 5 strategies/activities, partially implemented 3 strategies/activities, and did not implement 2 strategies/activities.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

A major difference in funds that were proposed/estimated could be found in two strategies/activities. Those are: 2.6 Welcome Package for all incoming students when they attend the New Student Orientation to support the student in completing credits and prepare for graduation as measured by proactive, positive, student/parent interactions with the school staff. 2.9 Utilize Claremont Counseling Services to help students who are having difficulties inside and outside of school with social/emotional issues. These strategies/activities need to take place or the funds need to be reallocated.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

There won't be too many changes to this goal. The three main action items in this goal that need to be addressed are: the extra counseling services for the students and the welcome packages, and 2.7. Family engagement nights such as FAFSA, Transcript Analysis, Graduation Progress Update, Dia De Los Muertos, and Attendance.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Preparation for College and Career Beyond Graduation

LEA/LCAP Goal

LCAP Goal 3: All students are prepared for college and career beyond graduation. [Priority 4 and 8]
Priority 4: State assessments for grade 11, A-G completion, % of students who pass an AP exam with 3+, % of 11th grade students who participate in and demonstrate college preparedness on the SBAC
Priority 8: Other pupil outcomes: College and Career Readiness for High school

Goal 3

English language Arts/English Language Development

Secondary: By end of year, all students identified as at risk in ELA will be enrolled in an ELA Intervention Course that addresses specific ELA skills needed to be successfully complete all grade level ELA assessments.

English Learners -By end of year, as a result of high quality, daily Designated ELD and Integrated ELD instruction, each English learner student will increase their English language proficiency by 1 level in preparation for reclassification.

LTEs - By end of year, a reclassification plan for each Long Term English Learner will be written in order to support the student's progress towards meeting the district reclassification criteria.

Math:

By the end of year, all students identified as at risk in mathematics will be enrolled in a Math Intervention course that addresses the specific mathematics skills needed to successfully complete all grade level mathematics assessments.

CTE:

All students will have access to two fully sequenced CTE Pathways that lead to graduation of student participants.

A-G Course Completion:

All students will have access to A-G courses that lead to graduation.

Graduation Rate:

All under-performing students will be provided cycles of intervention that lead to successful completion of graduation course requirements.

All students at risk of not meeting graduation requirements will receive appropriate supports to ensure successful completion of graduation requirements.

Goal #3: Increase the number of students to 5% who will be College/Career Ready using the College/Career Readiness indicator(s).

Goal #3: SMART GOAL STATEMENT: (A) On the 2023 CAASPP, the combined percentage of students scoring "Met" and "Exceeded" in ELA will increase from 20% to 28% and in Math will increase from 3% to 18%.

(B) SMART GOAL STATEMENT: The percentage of D/F Rates (No Grades, “NG’s” for Buena Vista) at the end of each Quarter’s grading period. School wide goal is No Grades (NG’s) not to exceed 20%. Previous goal was “NG’s” not to exceed 25%. Buena Vista has achieved that goal in nine consecutive quarters starting with the 4th quarter in 2021. Buena Vista will now lower the percentage of NG’s from 25% to 20%. 2023 - 2024 Data: Quarter 1: 8.2%, Quarter 2: 9.5%, Quarter 3: 7.5%, Quarter 4: TBD

Identified Need

Capstone classes for ROP students, so students can be identified as prepared using the College/Career indicator.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
College/Career Readiness Indicator	2 students completed a CTE pathway using the College/Career Indicator Report	Raise the number of students to 10% who will be College/Career Ready using the criteria.
"No-Grade" Rate (D and F Rate)	In 2023-2024: Grades were as follows: Quarter 1: 8% No Grades/92% Passing Quarter 2: 9.5% No Grades/90.5% Passing Quarter 3: 7.5% No Grades/92.5% Passing Quarter 4: TBD No Grades/TBD Passing	Each quarter the total number of "No-Grades" not to exceed 20% (80% pass rate)
CAASPP Results	Percentage of students who Met or Exceeded ELA Standards (2023): 20% Percentage of students who Met or Exceeded Math Standards (2023): 3%	Percentage of students who will Meet or Exceed ELA Standards: 28% Percentage of students who will Meet or Exceed Math Standards: 18%

Strategy/Activity

3.2 To increase the graduation rate and provide all students an option, Buena Vista will purchase GED vouchers for students who will not graduate on time and earn a diploma.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

1,000

Title I Part A: Allocation
5000-5999: Services And Other Operating Expenditures
3.2a. Research based strategies to Improve graduation rate and subsidize expenses for low SED students.

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

EL Students

Strategy/Activity

3.3 To increase EL students being reclassified and demonstrating English proficiency, teachers will provide extra tutoring after school as an extra support.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

4,000

Source(s)

Title I Part A: Allocation
1000-1999: Certificated Personnel Salaries
3.3a. Time sheet teachers for extended time for academic support outside of the school day.

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

3.4 Students will incorporate visual arts into campus displays and murals by helping the art teacher and professional artist paint PBIS Messaging on walls within the campus. This will help the students with engagement, pride/self-worth, as well exposing them to career opportunities.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

4,000

Source(s)

Title I Part A: Allocation
5000-5999: Services And Other Operating Expenditures

3.4a Optimistic messaging around campus to encourage engagement, pride, support, and a positive culture while building meaningful relationships among educational partners.

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

3.5 Access to field trips to universities, colleges, ASB Leadership conferences. Academic field trips to Museums, Science Related field trips, and field trips in the core subjects for students, teachers and chaperones. Access for teachers to attend such activities and serve as advisors and chaperones.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

2,000

Source(s)

Title I Part A: Allocation
5000-5999: Services And Other Operating Expenditures
3.5a. Transportation and other related costs.

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

3.6 Maintain the culinary lab, so students can learn a trade that could possibly lead to a career. This will also create more elective sections in the master calendar, which will help the students progress towards graduation.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

100,000

Source(s)

District Funded
5800: Professional/Consulting Services And Operating Expenditures
3.6a Fund staff to start up the culinary lab class and start a CTE Pathway through district Equity Multiplier funding. LCAP Goal #4

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

3.7 Extra section in the master schedule. Rotate an extra period (.2) for teachers to increase courses being offered in the Master Schedule

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

39,315

Source(s)

AMIM / 0000
1000-1999: Certificated Personnel Salaries
3.7a Use AMIM funds to create one more section each quarter in the Master Schedule to help students fulfill their A-G graduation requirement.

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

3.8 Upgrade and replace computers and acquire technology tools to support instructional program. Integration of technology into lessons across core subjects to develop the skills students need in order to become 21st century learner.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

4,000

Source(s)

Title I Part A: Allocation
4000-4999: Books And Supplies
3.8a Purchase software, computers, printers, and other technology to ensure the staff can assist the students in graduating and becoming a 21st Century learner.

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

3.9 Engage families on the progress of their student(s) by having grade reports available every two weeks in the form of "walk around(s)" where every teacher lists and signs for the most current grade. Parent information night to explain the walk-around form and to explain/model the importance of 2-way communication.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

1,500

Source(s)

Title I Part A: Allocation
4000-4999: Books And Supplies
3.9a. NCR Walk Around forms for grade checks every two weeks.

Annual Review

SPSA Year Reviewed: 2023-24

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The strategies/activities that were fully implemented are: 3.3 To increase EL students being reclassified and demonstrating English proficiency, teachers will provide extra tutoring after school as an extra support. 3.4 Teachers will provide extra tutoring after school as an extra support to help improve the graduation rate, as well as, lower the "No Grade" percentage. 3.6 Access to field trips to universities, colleges, ASB Leadership conferences. Academic field trips to Museums, Science Related field trips, and field trips in the core subjects for students, teachers and chaperones. Access for teachers to attend such activities and serve as advisors and chaperones. 3.7 Open the culinary lab, so students can learn a trade that could possibly lead to a career. This will also create more elective sections in the master calendar, which will help the students progress towards graduation. 3.8 Extra section in the master schedule. Rotate an extra period (.2) for teachers to increase courses being offered in the Master Schedule. 3.9 Through the Career Center, continue to host two Baldy View ROP Classes that help students fulfill Career Technical Credits needed for Graduation. Continue the partnership with Chaffey College and Mount San Antonio College that provide on site services (financial aide, early registration, assessment and career exploration) to seniors and later to junior students. All the military branches will be represented and on campus multiple times throughout the year to present the opportunity military life offers. To include parent/student engagement nights.

There were six out of nine strategies/activities that were highly effective and three strategies/activities that were not implemented/not effective.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The material difference or major difference in the three strategies/activities that were not implemented was \$5,800. Those strategies/activities were 3.1, 3.2, and 3.5

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Buena Vista needs to act upon the three strategies that were not implemented. Those strategies are having students help beautify the campus by assisting with murals, having 2 career/trade fairs throughout the year, and solidifying how to use GED vouchers. If and when we can implement those strategies to Goal #3, Buena Vista will excel even more.

Implementing the three strategies/activities that were not implemented (3.1, 3.2, and 3.5) will be key contributors in students' success.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$49,947.00
Total Federal Funds Provided to the School from the LEA for CSI	\$100,000
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$599,656.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
Title I Part A: Allocation	\$49,447.53
Title I Part A: Parent Involvement	\$499.47
Title II Part A: Improving Teacher Quality	\$5,600.00

Subtotal of additional federal funds included for this school: \$55,547.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
AMIM / 0000	\$39,315.00
District Funded	\$504,154.00
Lottery: Instructional Materials	\$640.00

Subtotal of state or local funds included for this school: \$544,109.00

Total of federal, state, and/or local funds for this school: \$599,656.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

Funding Source	Amount	Balance
Title I Part A: Allocation	49,447.53	0.00
Title I Part A: Parent Involvement	499.47	0.00
AMIM / VAPA	32,652.21	32,652.21
General Fund	16,731.00	16,731.00

Goal 3	156,409.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 3 Parent or Community Members
- 2 Secondary Students

Name of Members	Role
Kyle Shuler	Principal
Melissa Brown	Classroom Teacher
Daura Beard	Classroom Teacher
Janice Lipsey	Classroom Teacher
Sherry Ma	Other School Staff
Alice Dominguez	Parent or Community Member
Jessica Vanderham	Parent or Community Member
Regina Fuentes	Parent or Community Member
Olivia Tellez	Secondary Student
Zaaniyah Hill	Secondary Student

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

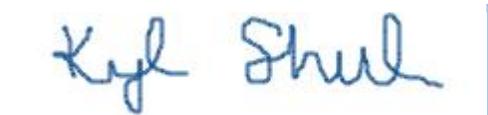

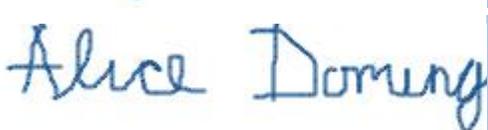

Signature	Committee or Advisory Group Name
	English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 14, 2024.

Attested:

	Principal, Kyle Shuler on 5/14/2024
	SSC Chairperson, Alice Dominguez on 5/14/2024

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

PARTNERSHIPS

What is Home-School Partnerships?

Home-School Partnerships is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school's single plan for student achievement
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

FAMILY PARTICIPATION

Activities to Build ENGAGEMENT

STUDENT LEARNING: Students will be engaged in the classroom by concentrating on "Communication" and "Collaboration" skills. Teachers are involved in Professional Learning Communities and continue this process to improve their practice.

SOCIAL-EMOTIONAL DEVELOPMENT AND GROWTH:

- Weekly small group behavior and life skills counseling with a licensed MFT
- Weekly 1:1 counseling utilizing Chino Human Services counseling department
- Focus on Positive Behavior Support and Acknowledgment using PBIS methodologies
- Warm and inviting staff team that put students' emotional stability and health at the forefront
- Removal of student digital devices during the school day allows total engagement

Communication about Student Learning

Our school is committed to regular two-way communication with families about their children's learning. Some of the ways parents and teachers communicate all year are:

- School to Home
 - Phone Blasts
 - School Website
 - Aeries Communication – Parent Portal
 - School Marquee
 - 2-Week Grade Checks (Walk-Arounds)
- Home to School
 - Email
 - Parent-teacher conferences – CSS's
 - Phone Calls

Our Goals for Student Achievement

District Goals - Local Control Accountability Plan (LCAP)

All students are provided a high-quality teaching and learning environment.

Students, parents, families, and staff are connected and engaged to their school to ensure student success.

All students are prepared for college and career beyond graduation.

SCHOOL GOALS – Are aligned to the District’s LCAP Goals

GOAL 1: At the end of each respective quarter, 75% of all students will earn passing grades

GOAL 2: 70% of students will increase their Average Scale Score in ELA on the CAASPP. 50% of students will increase their Average Scale Score in Math on the CAASPP

GOAL 3: Increase the graduation rate. Maintain a 90% graduation rate.

Teachers, Parents, Students Shared Responsibility for Learning

In the Classroom

Teachers have the whole student in mind as they implement CA Common Core State Standards and research-based practices for effective instruction. Listed here are strategies teachers use for each school goal.

GOAL 1: Teachers are using the Essential Standards to pinpoint and target specific learning. Students will write “I can” statements to coincide with the learning target

GOAL 2: Teachers are utilizing the “No-Opt-Out” strategy in the classroom. This means students need to be engaged and formulate some type of answer because students are randomly chosen to provide an answer or to provide discussion

GOAL 3: Teachers will utilize “Check for Understanding” strategy during lessons and before continuing lessons to ensure concepts are being learned.

At Home

- Utilize the AERIES Parent Portal to access your child’s grades, attendance, and behavior
- Contact teachers and counselor to maintain an open line of communication via email/phone and review other resources available.
- Be present! Establish time at home to discuss school, daily experiences, and positive interactions.
- Structure a routine for your child that fosters attention to completing homework, maintaining a healthy lifestyle, and attending school on a daily basis.
- Take time to listen to understand your child and negotiate family tasks and chores.
- Check your child’s school-work, school supplies, and back pack routinely to establish an expectation of success.
- Attend school events, join decision-making committees, and participate in parent workshops.

Student Learning Activities

Activities students will do to support their learning:

Science Fair Art Showcase Leadership Class Career Fair
 ROP ASB Sponsored Activities

Chino Valley Unified School District

Buena Vista High School

Parent and Family Engagement Policy

School Policy Engagement:

Buena Vista High School recognizes that **parents and family members are their children's first and most influential teachers** and that continued **parental engagement in the education of children contributes greatly to student achievement and conduct**. Buena Vista shall jointly develop with, and distribute to, parents of Title 1 and Non-Title 1 students a written parental engagement policy, agreed upon by such parents and updated periodically to meet the needs of parents and the school. This policy shall be an addendum component of the School Plan for Student Achievement (SPSA) that promotes a meaningful partnership between the school, the home, and the community.

Title I schools will convene an **annual meeting to inform parents** the requirements of Title I and their right to be involved in the parental engagement policy, and the school-parent compact of strategies to increase parental engagement. The parents of participating students will be involved in an organized, ongoing, and timely way, in the planning, review, and improvement of its Title 1 programs and parent and family engagement policy and school-parent compact. The school will offer a flexible number of meetings and provide, if requested, parents' opportunities for regular meetings to participate in decisions relating to the education of their children and respond to any such suggestions as soon as practicably possible. The parent and family engagement policy and school-parent compact will be posted on the school website and distributed to all parents through regular means of communication.

Shared Responsibilities for High Student Academic Achievement:

The staff of Buena Vista in consensus with research-based practices knows that the education of its students is a **responsibility shared between school and parents**. The school's primary responsibility shall be to have an effective learning environment that enables all students to meet the academic expectations set forth in the CA Common Core state standards. Parents shall have the responsibility and opportunity to work with the school in a mutually **supportive and respectful partnership** with the goal of supporting their child's learning. The school-parent compact of strategies to increase parental engagement outlines how the parents, the teachers, and students will share the responsibility for improved student academic and behavioral achievement. *Buena Vista* will provide parents with an explanation of the curriculum, academic assessment, and proficiency levels students are expected to meet. Through an *Action Team for Partnership* process school staff, parents, and community members will jointly review, plan and develop a one-year school-parent compact by grade or department level of promising practices to increase parental engagement to include the six types of engagement listed below (*Epstein's Six Types of Parental Involvement, Page 2*). The annual school-parent compacts will specify partnership activities for as many of the six types of engagement as possible. The school-parent compact will list district and school improvement goals and describe the "in the classroom" and "at home" strategies for teachers, parents, and students to implement. Buena Vista's **goals will include a school improvement goal in these three areas: English Learners, one academic area, and one non-academic area**. The compact will list how the school provides two-way communication between home and school. It will also describe opportunities for parents to volunteer, observe, and participate in the classroom. Annually the school-parent compact will be updated by staff and parents, based on formal and informal data. Also, annually, the *Action Team for Partnerships* will evaluate the effectiveness of the school's home-school-community partnership activities and celebrate successes.

This **shared responsibility** will help the school and parents build and develop a partnership to help children reach or exceed the grade level standards.

Buena Vista will support these home-school partnerships by using the following **six types of engagement**:

1. **Parenting.** We will promote and support parenting skills and the family's primary role in encouraging a child's learning at each age and grade level, and all staff members will work effectively with our diverse families. Buena Vista will have a mandatory new student orientation prior to the student entering Buena Vista to ensure all stakeholders are aware of the opportunities that Buena Vista offers and also the expectations of Buena Vista. Parents should be signed up to the parent portal for current updates to their son/daughter's grades. Parent workshops will be conducted throughout the year providing guidance in certain areas.
2. **Communication.** We will communicate about curriculum, instruction, assessment, staff development, school programs and student progress through two-way, meaningful, timely and effective methods. At a minimum, annual conferences, reports on student progress, reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities will be provided to parents and family members. Buena Vista will use many facets of up-to-date communication (i.e. email, twitter, Instagram, etc.), phone blasts, updated website, CSS meeting (collaboration for student success), 2-week walk around grade checks, phone calls, parent workshops, back-to-school-night, & Open House.
3. **Volunteering.** We will expand the recruitment, training, and recognition of family and community volunteers; we will provide opportunities for families and community members to contribute from home, the workplace, and other community-based sites. Buena Vista will reach out via emails, phone blasts, and the website for opportunities to volunteer. Here is a blanket statement and invitation; Volunteers and parents are always welcome on campus!
4. **Learning at Home.** We will promote family engagement in learning activities at home including homework and other curriculum-related activities appropriate to the grade and development of the student. Buena Vista will have most of the classrooms connected to "Google Classroom" so that the student could literally take the classroom home on his/her device. Also, parents should be signed up to the parent portal to generate conversations about the progress of their son/daughter in each current class.
5. **Decision-making.** We will include students, parents, and community members as partners in planning and decision-making. We will encourage participation by parents and family members in decisions that affect their child's educational experiences and comply with state and federal laws and regulations pertinent to family engagement. Buena Vista will have a School Site Council (SSC), English Language Advisory Committee (ELAC), Leadership class on campus, and conduct parent workshops on certain topics.

Collaborating with Community. We will coordinate resources and services for students and families with businesses, agencies, service organizations and other groups and provide services to the community through our volunteer efforts and community improvement projects. Buena Vista will conduct two career days (one in the fall and one in the spring) where the students choose their top three careers/trades to learn more about that particular field. The students will rotate among their top choices every 35 minutes, taking notes and asking questions to an invited professional from that field of work.

Building Capacity for Parent Engagement

The Buena Vista's school staff is committed to partnering with parents in the following ways:

- assist parents in understanding academic content and achievement standards and assessment and how to monitor and improve the achievement of their children
- provide materials and training to help parents work with their children to improve their children's academic achievement
- educate staff, with the assistance of parents, in the value of parent contributions and how to work with parents as equal partners
- coordinate and integrate parental engagement with other programs and activities in our school and support parents in more fully participating in the education of their children
- distribute information related to school and parent programs, meetings, and other activities to the parents of participating students in a format and, to the extent practicable, in a language the parents understand
- provide such other reasonable support for parental engagement activities under this section as parents may request

Accessibility

Our school, Buena Vista High School and our LEA shall provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory students including providing information and school reports required under Section 6311 in a format and, to the extent practicable, in a language such parents understand.

(revised 2023-2024)
