District English Language Advisory Committee

April 15, 2025

- Welcome & Introductions- Dr. Finkbiner started the meeting at 9am with welcome and introductions.
- Activity- Dr. Finkbiner asked parents to share something about their students that makes them proud.
- Attendance- Participants were reminded to sign in.
- Dr. Finkbiner confirmed with DELAC that they have completed all of the required responsibilities.
- Annual Multilingual Recognition- Dr. Finkbiner announced this year's recipients of the Multilingual Recognition Awards Ceremony.
- Supporting Students Over the Summer- ELD coaches, Norma Mendoza and Rebecca Peterson, shared ways parents can help their students over the summer. Brochures were provided.
- EL Master Plan Updates for 2025-2026- Dr. Carrizosa shared that the Multilingual Master Plan will be updated and presented to the board for approval. We will include documents approved by DELAC this year. Dr. Carrizosa reviewed reclassification criteria and reminded participants to start checking for ELPAC scores in the Parent Portal towards the end of May. Dr. Carrizosa also reviewed the OPTTEL form and reclassification form for students with IEPs.
- Survey Results- Dr. Finkbiner gave an update on the LCAP (Local Control Accountability Plan) and sought DELAC's feedback. He invited DELAC members to the next LCAP meeting on next Tuesday April 23rd 9:00 – 11:00 AM.
- Consolidated Application for Funding- Dr. Finkbiner explained the Consolidated Application for Funding. He asked for a volunteer to represent DELAC and sign verification that DELAC was informed about it. Victoria Romero from Dickson volunteered.
- Closing Activity – Participants reflected on what they learned through DELAC, what they want more training on and what they recommend for next year's DELAC. The meeting concluded at 11am.

DELAC's Responses

Something I Learned That Was Helpful	I Need More Training On	Recommendations for next year
How to help my grandson with his studies. I learned to spend more time with my grandson. Thank you for all you do.	How the tests for reclassifications are accurate to graduate the student from the program.	A unified calendar that shows all activities students can participate in.
I learned a lot this year. One of the things I learned is how to help my children in the summer. The participation of parents in the school and district. Thank you.	I'd like more ideas on how to get parents involved with DELAC.	Improve reclassification process. If a student has been 3 years as 3 level- should be something that the parent's decision to keep them or not in the program.
I learned everything about ELAC that is important for helping our children.	Activities at home and outside of home	More ideas or suggestions on how to help our children reclassify and advance in learning the English language.
I appreciate the valuable information from today. Thank you.	My child spends the majority of her time trying to learn English in order to catch up in different subjects. My major concern is how to support her to understand more in class. Another concern is that my child does not have any PE classes. Ahhh My child's problem is that she can only understand about 50%, and this is so difficult for her and exhausting for us, too. As a new parent, my child, who is in 11th grade, was enrolled in January and has studied very hard. My child is having much difficulty learning. It is the middle of April, and it has been three months; she is adapting little by little. She is	My administrators to an excellent job but parents don't respond.

	doing well in math, but English is really hard for her.	
That there are more options for students!		Maintain the activities.
Lots of activities students or parents can do to improve their language skills.		How to prepare my kid for CAASPP and ELPAC testing.
I learned how to help my child prepare to take the exam.		
I learned how to help my son to continue learning in a fun way during vacation. Thank you.		
I learned that students learn the most from parents when parents are involved and prepared.		
To help parents learn about colleges and extra classes. Thank you.		
I learned the difference between educational videos and language games. Apps! There are so many resources. We need to learn how to use it in a more clever way!		
It is my honor to attend the DELAC meeting, and I learned a lot that I had never known before. I really appreciate it. My daughter is graduating very soon, and she will be a college student. The DELAC meeting helped us a lot. Thanks again.
