# What is AVID?

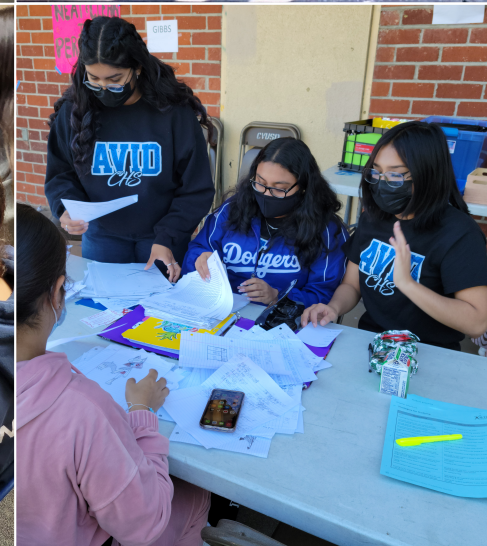

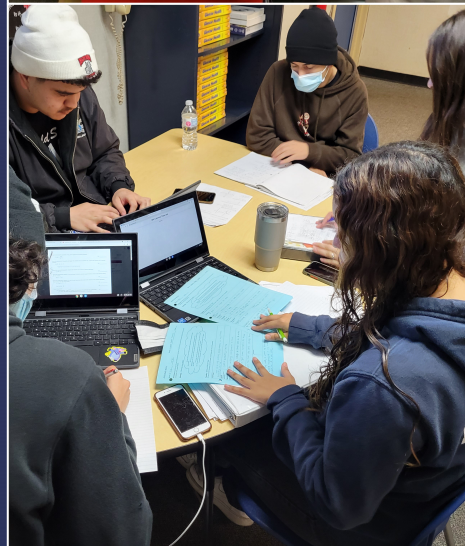

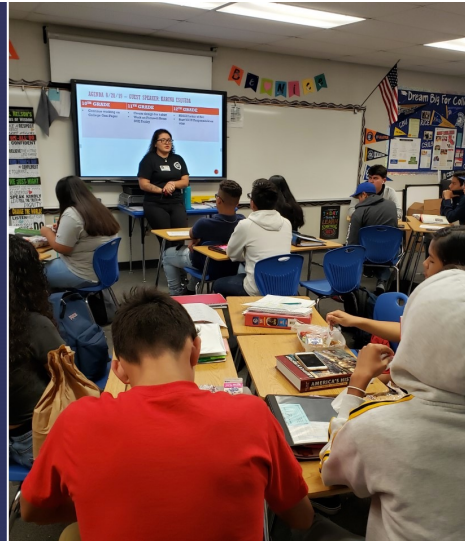

- AVID, is a college readiness program designed to help students develop the skills they need to be successful in COLLEGE.
- AVID is a program for “ middle to upper middle “ academic students who have showed ambition to be in honors and AP courses in high school.
- AVID students get support in any areas of weakness from their classmates, college tutors, and their other teachers.
- AVID's mission is to close the achievement gap of students by preparing them for COLLEGE.

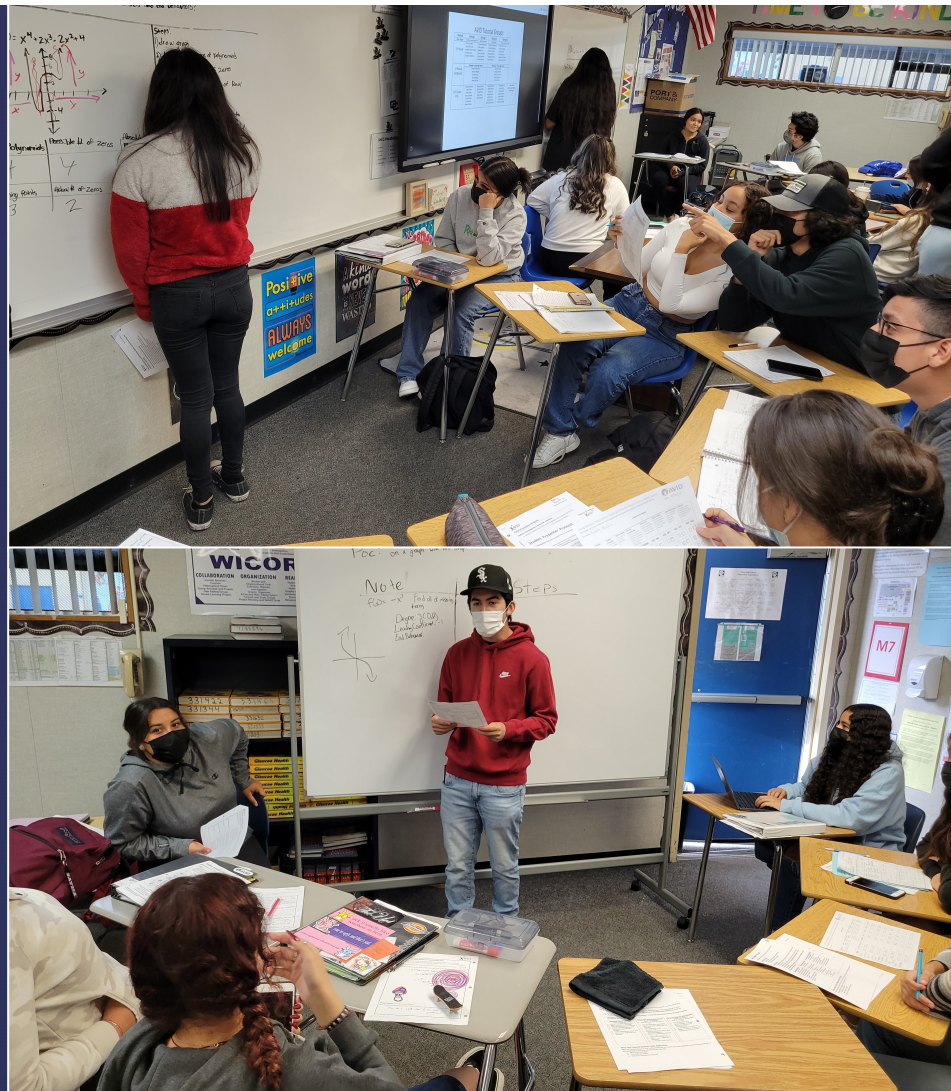

# What do we do in AVID?

- Keep an organized binder
- Learn how to take focused notes
- Learn test taking and studying strategies
- Participate in tutorials
- College/Career Exploration
- Team building activities
- Listen to guest speakers
- Go on field trips to colleges/ universities

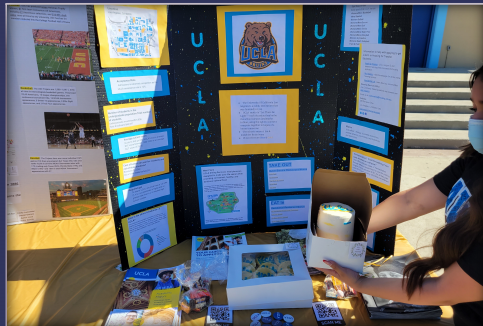

# What are Tutorials?

- Tutorials are done every Tuesday and Thursday
- You will fill out a TRF form with a problem you are struggling with in one of your classes
- In small groups, you will work together to help find the answer
- College tutors or peer tutors facilitate the tutorials

# College & Career Readiness

- You will have the opportunity to learn more about colleges and careers that interests you via college research and projects.
- AVID students will go on field trips to various colleges in the area.

# Sophomore Trip

- Sophomore year, students will have the opportunity to visit Colleges/Universities in San Diego
- Schools visited: San Marcos, UC San Diego, San Diego State University, and University of Irvine.
- This is a fun opportunity to get a better idea of what you do and don't like when it comes to choosing a school that's right for you.
  - Consider environment (campus/surroundings/activities)
  - Consider: If you would like to attend a school with a big campus or small campus/ preference of class size (impacted majors\*)

# Junior Trip

- Junior year, students will have the opportunity to visit Colleges/ Universities along Northern California
- Schools visited: UC Santa Barbara, UC Berkley, San Francisco State University, and more.
- This is a fun opportunity to get a better idea of what you do and don't like when it comes to choosing a school that's right for you.
  - Consider environment (campus/surroundings/activities)
  - Consider: If you would like to attend a school with a big campus or small campus/ preference of class size (impacted majors\*)
