

## Tour – Illuminate Student Tools for Essential Standards Assessments (ESAs)

After tapping “Begin Test” students may use a few tools in the ESAs.

Arrows and dropdown allow students to move through questions/pages.

Pause - stop testing for a very short time (bathroom break, drink)

Zoom – enlarge the test area

Tools – Find permitted tools (varies by grade level and subject area)

Strikethrough – text

Notepad – free area for thoughts; not grades

Flag – mark item to skip and return to later

Review / Finish Test – when student is finished, go to summary page

On summary page, check that all Questions are Answered, or return to Question by tapping on number. Tap on Finish, then Finish again, to submit.
